# WELCOME

Dear Colleagues,

It is of my great pleasure to welcome you to the 2<sup>nd</sup> Hepatology and Gastroenterology Post Graduate Course endorsed by the American College of Gastroenterology (ACG) and in collaboration with the World Gastroenterology Organization (WGO).

The attendees will learn from internationally known experts and rising stars in the field of gastroenterology and hepatology who will deliver the latest cutting edge of information based on evidence based approach.

We all promise you the most exciting Hepatology and Gastroenterology meeting of 2009. We look forward to welcoming our friends and colleagues from Africa, the Middle East, America and the Asian Pacific Region; we have so much to contribute together through the International fellowship of Medicine.

Cairo is an outstanding venue for our meeting and the Conrad international hotel is situated near the city centre. The social, cultural, recreational and gastronomic attractions of Cairo are easily accessible.

I appeal to all participants to become active and enthusiastic contributors to the course. Joining forces to ensure that it is the best educational event ever!
