

Alexandria Gastro Club

BRANCH OF
The Egyptian Society of Hepatology,
Gastroenterology and Infectious Diseases
in ALEXANDRIA (ESHGID)

The society was founded since 1995

The board of the society represents major medical centers in Alexandria and Egypt.

More than 20 meetings of Alexandria Gastro Club were held in Alexandria and Porto Marina hotel, El-Alamin.

The attendance in each meeting exceeds the number of 350 delegates representing most of medical centers and institutes in all governorates of Egypt.

Attendants are surgeons, hepatologists and gastroenterologists discussing medical problems from the medico-surgical aspect of view.

The scientific program include mainly:

- State of the Art Lectures
- Case presentation sessions

This enables good interaction between medical physicians and surgeons to find the best way for management of medico surgical major problems.

More than 25 pharmaceutical and medical equipment companies usually sponsor our meeting and our delegates from outside Egypt.

You can review the last medical activities of the society within this website by clicking Archived Events icon in the home page
