

Invitation

Dear Colleagues:

It's our pleasure to invite you to attend our Kasr Al-Aini, 7th Gastroenterology, Hepatology and Endoscopy Course, this annual scientific meeting was evaluated by most colleagues as one of the most valuable educational meetings that were held in Egypt during the previous years.

Our meeting will provide a unique opportunity to gain access to the latest scientific information; it will be a three day course including workshops aiming to give a broad look at the state-of-the-art updates in gastroenterology and hepatology practices.

This year, besides our National figures we had a good opportunity to enforce our meeting by a selected group of well known International experts and scientists in the field of gastroenterology and hepatology.

We sincerely hope to see you at our Kasr Al-Aini 7th Gastroenterology, Hepatology and Endoscopy Course which will start on the **27th of February-2010** and wish you success and enjoyment.

Mazen Naga
Director of the Unit

Taher El-Zanaty
President of the course
