Dear professors and colleagues:

For the 4th year, its our date to meet you  
in the conference of Minia gastroenterology and liver diseases  
which has a specific face this year, this conference is held in collaboration  
with two great societies in gastroenterology and liver diseases in Egypt.  
Also internationally eminent experts are invited to share us this ceremony  
this year who will deliver the latest cutting edge of information based on evidence based approach.  
We are aiming to provide answers to multiple challenge issues  
in liver and gastroenterology field of medicine particularly those we are facing frequently in Egypt.  
This will not be accomplished except by unlimited effort and support of all our guests  
from Egypt and those coming from outside Egypt.  
I hope for all enjoyable stay at Minia and fruitful interest in scientific program of our conference.

Best regards

Mahmoud A. Khattab , MD

President of the conference
