# Welcome

Dear Colleagues,

On behalf of the organizing and scientific committees, it is great pleasure and honor to welcome you to attend the 4<sup>th</sup> international annual Congress of Hepato-Pancreatico-Biliary, Liver Transplant Surgery, Anesthesia and intensive care Departments, National Liver Institute, Menoufia University.

We are witnessing an eager development in surgical techniques in the management of liver, pancreatic and biliary diseases. Therefore, the main theme of this congress will be new horizons in hepato-pancreatico-biliary and liver surgery in integrated and multidisciplinary way.

The conference aims to provide a latest scientific knowledge of current development, future changes and consensus forum in the field of HPB diseases through state of art lectures, round table discussions, debatable issues and free paper presentation to maximum patient care.

It also includes a pre-congress Hand-on course in Laparoscopic CBD Exploration and Bilio-enteric anastomosis with international eminent professors in the field of laparoscopic Hepato-pancreatico-biliary surgery.

Your active participation add much value to this conference; we cordially welcome your participation in this highly knowledgably meeting.
