11:15 - 11:30 Laparoscopic ultrasound with radiofrequency ablation of hepatic tumors in cirrhotic patients Ibrahim Abdelkader Salama (National Liver Institute) 11:30 - 11:45 Expanded criteria for resection of colorectal cancer hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
of hepatic tumors in cirrhotic patients Ibrahim Abdelkader Salama (National Liver Institute) 11:30 - 11:45 Expanded criteria for resection of colorectal cancer hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
of hepatic tumors in cirrhotic patients Ibrahim Abdelkader Salama (National Liver Institute) 11:30 - 11:45 Expanded criteria for resection of colorectal cancer hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
Ibrahim Abdelkader Salama (National Liver Institute) 11:30 - 11:45 Expanded criteria for resection of colorectal cancer hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
11:30 - 11:45 Expanded criteria for resection of colorectal cancer hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
11:30 - 11:45 Expanded criteria for resection of colorectal cancer hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
hepatic metastasis Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
Osama Alsaif (KSA) 11:45 - 12:00 Transdifferentiation of human umbilical cord blood
11:45 - 12:00 Transdifferentiation of human umbilical cord blood
11:45 - 12:00 Transdifferentiation of human umbilical cord blood
stem cells to hepatocytes in CCl4- injured liver of mice
Mohamed Mohye El-Din (Suez Canal University)
Monanica Monye El-Din (Saez Sanar Sinversity)
12:00 - 12:15 Anticardiolipin antibodies in patients with chronic liver
diseases
CALLED THE SECOND STATE WHICH IS A SECOND STATE OF THE SECOND STAT
Yasser M Fouad (Minia University)
12:15 - 12:30 Risk factors for early mortality and early tumor
recurrence after liver resection for hepatocellular
carcinoma
Mostafa M. Sayed (Assiut University)

(05:30 - 07:00 p.m.) -

Acid Peptic Disorders

Chairpersons:

Alaa Abdel-Aziz
Enas E I-Karimy
Gamal Abdel-Hamid
Hassan Hamdy
Helmy Abaza
Morsy Mohamed Morsy
Assiut University
Assiut University
Assiut University
Alexandria University
Assiut University

Moderator:

Mohye El-Shafie Assiut University

05:30 - 05:45	Guidelines of Barrett's oesophagitis
	Taher El-Zanaty (Cairo University)
05:45 - 06:00	Management of non-variceal GI bleeding
	Osama Ebada (Alexandria University)
06:00 - 06:15	Enhancing mucosal healing in acid peptic disorders
	Yousry Taher (Alexandria University)
06:15 - 06:30	Correlation between H. pylori and reflux oesophagitis Enas E I-Karimy (Assiut University)
06:30 - 06:45	Natural History of peptic ulcer Mohye El-Shafie (Assiut University)
00.45 05.00	
06:45 - 07:00	Discussion

SATURDAY, JANUARY 24, 2009

(07:00 - 8:30 p.m.)

Post-Cholecystectomy Bile Duct Injury (Interactive Session)

Chairpersons:

Hassan Kayal Syria
Mohamed Shaker Ain Shams University
Moustafa Abu Zeid Mansoura University
Omar Fathy Mansoura University
Taher El-Shobaky Mansoura University
Yousry Taher Alexandria University

Moderator:

Gamal El-Ebeidy Mansoura University

07:00 - 07:15 Introduction, pathogenesis and presentation Yehia Zakaria (Zagazig University) Prevention 07:15-07:30 Ahmed Abdel-Raouf (Mansoura University) 07:30 - 07:45 Role of radiology Mohamed Shaker (Ain Shams University) 07:45 - 08:00 Role of endoscopy Yousry Taher (Alexandria University) 08:00 - 08:15 Role of surgery Omar Fathy (Mansoura University) 08:00 - 08:15 Discussion

SATURDAY, JANUARY 24, 2009

(08:30 - 10:00 p.m.) -

Liver Transplantation (Panel Discussion)

Panelists:

Adel Hosny Ayman Yousry Hesham Abdel-Dayem Khalid Amer Maher Osman Moenes Abul Atta Cairo University
Cairo University
National Liver Institute
International Medical Center
National Liver Institute
As-Salam International Hospital

Moderator:

Amr Helmy

National Liver Institute

Introductory Lecture

Safety of liver donors
Adel-Hosny (Cairo University)
