

12th International Congress of the Egyptian Hepato-Pancreato-Biliary Society

January 22 - 25, 2009
Sharm El-Sheikh, Egypt
Sheraton Sharm Hotel

In collaboration with
The Egyptian Society of Hepatology,
Gastroenterology and Infectious Diseases in Alexandria

Dear friends and colleagues,

It is with great pleasure that I welcome you all to the 11th social gathering and scientific conference of the **Egyptian Hepato-Pancreato-Biliary Society (EHPB)**.

Amongst the major challenges facing the HPB surgeon nowadays is the rapid non-precedented revolution in technology together with the multi-disciplinary approach in the management of most HPB diseases.

In our conference we will try to introduce technological innovations and ensure the presence of experts in hepatology, oncology, basic sciences and interventional radiology.

As you all well know our meeting always emphasises the social side, that is why it is held during the mid-term vacation so all family members can mix work with pleasure.

Lastly, on behalf of all of us, I would like to thank Prof. Dr. Farouk Mourad for his valuable deeply appreciated efforts over a period of 10 years in establishing and maintaining this society which was the first in this field in Egypt and the Arab World.

Looking forward to seeing you all in **Sharm Al Shiekh Jan. 2009**.
